

BUSINESS ADMINISTRATION-MANAGEMENT

Itasca Community College-College of St. Scholastica

Degree: Associate in Science

Length: 64/65 credits

The Associate in Science Degree in Business Administration Management is designed to provide a strong foundation of knowledge and skills for students interested in transferring on to earn a four year degree in business management, for those planning on entering the workforce, or for those starting their own business.

The Associate in Science Degree affords easy transfer to other institutions through completion of **MN Transfer Curriculum**. St. Scholastica strongly recommends completion of the MN Transfer Curriculum within the AS degree. Please see your ICC counselor for advising every semester prior to registration.

The Associate in Science Degree in Business Administration will be awarded for successful completion of the courses listed below. Recipients of this degree shall be prepared for transfer to the College of St. Scholastica's baccalaureate program in Management.

Students following the suggested course schedule below indicate that they are pursuing the Associate in Science degree at Itasca Community College (ICC) with the intent to transfer to the above named institution. The purpose of this transfer guide is to provide a sequenced curriculum of courses recommended by the receiving institution taken within the Associate in Science degree at ICC.

*Note: Courses numbered below 1000 and courses with a “D” grade or lower do NOT transfer.
