

Finish your 4-year Business Management Degree

Information Session
October 9, 4:30 p.m.
Itasca Community College
Johnson Hall 103

Refreshments will be provided

The B.A. in Business Management program at St. Scholastica teaches students specialized business skills, such as human resources management, business strategy and effective decision-making.

If you have been delaying continuing your education for just the right time, we have the perfect time for you. We are gathering data on community interest in earning a B.A. in Business Management right here on the Itasca Community College campus.

Tuesday October 9, 2018 at 4:30- 5:30 p.m.
Itasca Community College
Johnson Hall 103
