

ACCOUNTING

Itasca Community College

Degree: Associate of Science (with MnTC completion)
Length: 60 semester credits

The Associate of Science Degree in Accounting is designed to provide a strong foundation of knowledge and skills for students interested in transferring on to earn a four year degree in accounting, for those planning on entering the workforce, or for those starting their own business.

The Associate of Science Degree affords easy transfer to other institutions through completion of the Minnesota Transfer Curriculum (MnTC). Please see your ICC counselor for further information.

Students following the suggested course schedule below can complete a Bachelor of Science in Accounting at Bemidji State University through a formal articulation agreement with ICC.

The following minimum requirements must be completed:

1. Specific program requirements
2. Grade Point Average of 2.0 and MnTC grade point average 2.0
3. Completion of 40 credit Minnesota Transfer Curriculum (MnTC)
4. A minimum of 20 credits must be completed at Itasca Community College

The Minnesota Transfer Curriculum and Itasca's Associate Degree

The public higher education colleges and universities in Minnesota have developed a common liberal education curriculum called the **Minnesota Transfer Curriculum (MnTC)**. Students who complete this Associate degree at Itasca Community College will have automatically met all MnTC requirements.
