MnSCU Host School: __________________________

Home School: Itasca Community College

Directions:

1. Meet with your ICC Counselor/Advisor to discuss your enrollment plans.

   Courses taken at ICC and from other colleges must apply to your declared program of study at ICC. Students taking non-required courses may choose to seek a second degree from Itasca that does require these courses (i.e. Associate of Arts degree). All courses could then be reviewed for aid eligibility. If this is your intent, then check the box at the bottom of this form and declare your new program(s) of study at ICC.

2. Once ICC counselor/advisor's signature is received, send/bring this form to the Student Services Office at ICC before the end of the drop/add period for the term. Your aid will be based on your combined “aid eligible” credits at both schools.

3. When you receive your financial aid from ICC, you must pay your charges at the host school.

Name: _____________________________ ICC Tech ID #:_________________

Semester (Fall/Spring/Summer) _______________ Year: _____________

Program(s) of study at ICC: ___________________________ (host school courses must apply to ICC degree)

You must enroll for at least one course at ICC applicable to your program of study in order for any consortium coursework to be considered for academic/financial aid approval.

I understand that I must pay the “host” school directly for credits taken at the “host school”. I MUST inform ICC of any changes (i.e. drops, withdrawals, section changes) made to my schedule at the “host school”. If I do not, ICC reserves the right to post a grade of “F” for the class(es) involved. During the period covered by this agreement, the student will be considered enrolled at Itasca Community College. ICC will process the student's financial aid application. I understand I can only receive financial aid from one school at a time. Credits approved are utilized as “resident” credits for purposes of credit completion and GPA calculations for ICC’s Satisfactory Academic Progress Policy. Any books for the classes listed above must be paid for “out of pocket”.

I affirm that the courses listed above are REQUIRED, still needed, and applicable to my declared degree program at ICC. If the course(s) is/are not required, I have checked the box below to indicate my intent to also pursue another degree at Itasca.

☐ I wish to add the ____________________________ degree(s) to my program of study listing at ICC.
