What do I need to know about CIS at ICC?

- Benefits of CIS
- Admission & Eligibility Requirements
- Registration Process
- College Policies
- College Expectations
- Grading & Transcripts
- Degrees & Transferring
- Campus Services
- Campus Contacts
- Other Links
What are the Benefits of taking CIS credits?

- A jump-start on college costs
- College in manageable portions
- More choices when your full-time college career begins
- Getting an early grip on important skills
What are the Admission & Eligibility Requirements for CIS?

- **Apply online**
  - During this process, you will receive your star id and create a password. **REMEMBER THESE:** They are the keys to allow you to register for your courses. If you forgot your Star ID or password, you can reset them at [https://starid.minnstate.edu/](https://starid.minnstate.edu/)

- **Complete College Assessment**
  - Placement in College-level in reading and/or math per Accuplacer, ACT, or MCA. See [Accuplacer Guide](https://example.com/accuplacer-guide) or [CIS Handbook](https://example.com/cis-handbook) page 4 for more information.

- **Send a high school transcript to ICC**
  - CIS students need a cumulative GPA of a 2.5 as a senior & 3.0 as a junior per high school transcript.
How Do I Register for Classes?

- When you complete the admission process (application, testing, and high school transcript sent to ICC), your high school counselor will notify you of your acceptance to Itasca’s CIS program.

- **Complete CIS Orientation** – All students shall complete an in-person or online orientation to the CIS program. At this orientation you will receive the [CIS Handbook](#) or can follow the link for future reference.

- Once you complete the ICC orientation your high school counselor and ICC’s Student Services team will assist you with the registration process.
What college policies do I need to know?

- **Adding/Dropping a CIS Course**
  - You have the first 5 days of the high school semester to drop or add a course without penalty.

- **Withdrawing from a CIS Course**
  - To “withdraw” from a course means to remove oneself from the course after the Add/Drop period. The course will remain on the transcript, and a “W” will appear on the transcript in place of a grade. This does not affect the GPA; however, it does affect the completion rate. Students whose cumulative completion rate falls below 67% risk being placed on Academic Warning or Suspension.

- **Satisfactory Academic Progress**
  - You need maintain 2.0 GPA and complete 67% of courses. (Courses with grades of F, W, or I are not considered completed)
What are College Expectations?

- **Course Syllabus**
  - A syllabus is your instructor’s written agreement with you regarding what he or she expects from you.

- **Family Educational Rights and Privacy Act** (FERPA)
  - Itasca Community College will not permit access to or the release of personally identifiable information contained in student educational records without the written consent of the student to any third party. Specific information on FERPA can be found in the ICC Handbook and Catalog.

- **Academic Integrity**
  - Academic honesty and integrity are highly valued in the ICC community. Academic dishonesty is unethical behavior which adversely affects not only the college's academic environment but also the larger community. It seriously compromises the integrity of the academic experience and will be neither tolerated nor condoned at Itasca.
How do I Check My Grades?

- All CIS grades adhere to an A-F scale based on an honor point system:

- **D2L** – Check progress in a course throughout the semester.

- **E-services** – Check your final grade at the end of the semester. The grade you receive here automatically becomes part of your permanent college academic record.

- You will need your **STAR ID** and password to login to either.

- Attending more than one college? Check out the GPS Lifeplan **GPA calculator** to calculate your overall GPA.
How do I send a transcript to transfer my credits?

- If you attend Itasca upon high school graduation, you don’t need to worry about transferring credits. You already have a permanent transcript at ICC.

- If you attend Other colleges and universities –
  - Request a transcript from ICC to be sent to the colleges and universities where you may apply.

- Colleges and Universities in the Minnesota State System can see your ICC transcript once you apply to their institution. So, no need to send a transcript.
How will my credits transfer?

Asking your potential new school about their policy of accepting CIS credits will help you make smart choices about your continuing education.

Credits can be…
- directly transferred toward your chosen degree
- accepted as elective credits

Credits can also…
- Exempt you from taking a required course
- Make you eligible for placement into a higher-level course
How do credits apply to a college degree?

Attending Itasca Community College
- **AA degree** – All CIS classes apply to the Associate in Arts (AA) degree as either general education or electives courses.

- **Official Program Planners** – guides to official degrees at ICC where courses may apply

Attending Other Colleges or Universities
- Check out **Transferology** for more information on how your courses may transfer to your specific major and transfer school.
