The purpose of this course listing is to provide a suggested guide for transfer into the following program. This is a recommendation only. It is the student's responsibility to ensure proper course selection by contacting the transfer institution.

Pre-Dentistry
The University of Minnesota

A. MINNESOTA TRANSFER CURRICULUM (MnTC) or ASSOCIATE IN ARTS DEGREE (AA):

1. Students transferring with an Associate in Arts Degree or a completed Minnesota Transfer Curriculum (MnTC) satisfy the University of Minnesota general education requirements.

2. A minimum of 87 semester credits is required for admission. Applicants may use a maximum of 64 semester credits of community college coursework towards the 87 credit minimum. Prior to entering Dental School, most students complete a bachelor's degree, which includes general education and major requirements, along with the pre-dentistry requirements.

3. Elective courses should be selected to achieve as broad and liberal an education as possible. However, competitive students will take some combination of the following courses: art, cell biology, histology, human anatomy, microbiology, and physiology. These electives are especially important for persons who have completed only the minimum credits required (87 semester/130 quarter) to enter dental school. Additional electives can be chosen from among the following subjects: accounting, analytical chemistry, anthropology, business (practical courses), classics, comparative anatomy, economics, etymology, genetics, history, humanities, immunology, higher mathematics, logic, microscopic anatomy, political science, sociology, and a foreign language.
